INDEPENDENT AUDITOR'S REPORT

Board of Directors
Able South Carolina, Inc.
Columbia, South Carolina

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Able South Carolina, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Able South Carolina, Inc. as of September 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Able South Carolina, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements of Able South Carolina, Inc. as of September 30, 2021 were audited by other auditors whose report dated June 28, 2022 expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Able South Carolina, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

OPEN BY
APPOINTMENT ONLY

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Able South Carolina, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Able South Carolina, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 19, 2023 on our consideration of Able South Carolina, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to solely describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Able South Carolina, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Able South Carolina, Inc.'s internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED SEPTEMBER 30, 2022 AND 2021

NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Able South Carolina, Inc. (the “Organization”) was organized as a nonprofit organization for the purpose of equipping and advocating for persons with significant disabilities along with educating the community to challenge stereotypes and eliminate barriers. Effective November 27, 2012, an amendment was filed with the South Carolina Secretary of State in order to change the corporate name from Disability Action Center, Inc. to Able South Carolina, Inc. The Organization provides services throughout South Carolina and has offices in the Midlands and the Upstate.

Basis of Presentation

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and are presented in accordance with Financial Accounting Standards Board ASC 958-205 *Not-For-Profit Presentation of Financial Statements*.

Cash and Cash Equivalents

Cash equivalents included in these financial statements are defined as all highly liquid instruments purchased with an original maturity of three months or less.

Investments

Investments include marketable securities consisting of money market funds, exchange traded funds, and mutual funds. Such securities are carried at fair value based on quoted market prices, with any realized or unrealized gains or losses reported in the Statement of Activities. Interest and dividends are reported in the Statement of Activities and are included in investment income. Investment expenses are reported separately and are included in bank fees.

Beneficial Interest in Assets Held by Central Carolina Community Foundation

The Organization has transferred assets to the Central Carolina Community Foundation which is holding them for the benefit of the Organization. The Organization’s interests are part of the Central Carolina Community Foundation’s investment account, which is comprised primarily of domestic and international equity mutual funds, fixed income mutual funds, and real assets. The Organization reports the fair value of the beneficial interests in assets held by the Central Carolina Community Foundation in the Statement of Financial Position and reports changes in the values as realized or unrealized gains or losses reported in the Statement of Activities. Interest and dividends are reported in the Statement of Activities and are included in investment income. Investment expenses are reported separately and are included in bank fees.

Receivables

Receivables are primarily amounts due from grantors. Management believes that all outstanding receivables are collectible in full, therefore no allowance for uncollectible receivables has been provided.

Prepaid Expenses

Prepaid expenses consist primarily of prepayments for insurance premiums, subscriptions, and rent. These costs will be expensed in the subsequent year.

**ABLE SOUTH CAROLINA, INC.
COLUMBIA, SOUTH CAROLINA**

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED SEPTEMBER 30, 2022 AND 2021

**NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Property and Equipment

Property and equipment are stated at cost. Donations of property and equipment are recorded at their estimated fair value at the date of receipt. Property and equipment are depreciated using the straight-line method over estimated useful lives of the assets. The Organization capitalizes assets with a cost of \$1,000 or more.

Net Assets

Net assets and revenues are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

- Net Assets Without Donor Restrictions are net assets available for use in general operations and not subject to donor-imposed restrictions. The Board, at its discretion, may designate a portion of the net assets without donor restrictions to be used for specific purposes, such as capital improvements.
- Net Assets With Donor Restrictions are net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met either by the actions of the Organization or the passage of time. Other donor-imposed restrictions may be perpetual in nature, where the donor stipulates that the resources be maintained in perpetuity. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

Revenues

Grants and contributions are recognized when receivable and are considered to be available for general use unless specifically restricted by the contributor or grantor. Amounts received that are designated for future periods or restricted by the donor or grantor for specific purposes are reported as increases to net assets with donor restrictions. Conditional grants and contributions are not included as support until conditions are substantially met.

Accrued Employee Leave

The Organization's annual leave policy allows accumulation of up to 80 hours for unused annual leave at any time.

Functional Allocation of Expenses

The costs of providing program expenses, management and general expenses, and fundraising expenses have been summarized on a functional basis in the accompanying Statement of Functional Expenses. The Statement of Functional Expenses presents the natural classification detail of expenses by function. Certain categories of expenses are attributable to both program services and supporting activities. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Allocated costs include salaries, benefits, and certain other employee related costs such as travel and training, which are allocated on the basis of time and effort. Depreciation, rent, and other occupancy related expenses are allocated on a usage of building basis.

**ABLE SOUTH CAROLINA, INC.
COLUMBIA, SOUTH CAROLINA**

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED SEPTEMBER 30, 2022 AND 2021

**NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Fair Value Framework

The fair value framework under generally accepted accounting principles requires the categorization of assets into three levels based upon the assumptions used to value the assets. The fair value framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level one measurements) and the lowest priority to unobservable inputs (level three measurements). The three levels of the fair value hierarchy are described below:

- Level One – Unadjusted quoted prices for identical assets in active markets.
- Level Two – Quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset; inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level Three – Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Income Tax Status

The Organization has obtained exemption from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and did not conduct unrelated business activities. In addition, the Organization is not a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. Management is not aware of any transactions or events that would disqualify its tax-exempt status. Therefore, no provision for income taxes has been included in the financial statements. The Organization's tax returns for the past three years remain open for examination by taxing authorities.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Future Accounting Pronouncements

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*, which amends the existing guidance on the accounting for leases. Under the guidance, lessees are required to recognize lease assets and lease liabilities on the Statement of Financial Position for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the Statement of Activities. It also requires disclosure of key information about leasing arrangements. For nonprofit entities, the standard is effective for fiscal years beginning after December 15, 2021 (fiscal year 2023 for the Organization). The Organization is currently evaluating the impact of the adoption of this ASU on its financial statements.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation. The reclassification had no impact on total net assets.

**ABLE SOUTH CAROLINA, INC.
COLUMBIA, SOUTH CAROLINA**

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED SEPTEMBER 30, 2022 AND 2021

NOTE 2 – LIQUIDITY AND AVAILABILITY

The Organization manages its liquidity with a goal of operating within a prudent range of financial soundness and stability and maintaining liquid assets to fund near-term operating needs.

The table below reflects the Organization’s financial assets available for general expenditure within one year of September 30, 2022. Grantors and contributors have imposed certain restrictions regarding the use of some of these financial assets, and therefore, these financial assets are not considered available for general expenditure.

	2022	2021
Cash and Cash Equivalents	\$ 3,089,696	\$ 1,423,580
Investments	131,741	159,416
Accounts Receivable	872,779	2,737,768
Beneficial Interest in Assets Held by Community Foundation	90,052	
Less: Donor-Imposed Restrictions Associated with Financial Assets	(907,121)	-
Financial Assets Available for General Expenditures Within One Year	<u>\$ 3,277,147</u>	<u>\$ 4,320,764</u>

In addition to the above amounts, the Organization anticipates being able to meet its liquidity needs during the upcoming year through continuing or expected grants.

NOTE 3 – CONCENTRATION OF CREDIT RISK

The Organization maintains its cash at several financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (“FDIC”) up to \$250,000. At September 30, 2022 and 2021, the Organization’s balances in its accounts exceeded FDIC limits by a total of \$2,721,651 and \$917,130, respectively.

NOTE 4 – INVESTMENTS

The Organization’s investments in marketable securities may consist of money market funds, domestic and international equities and mutual funds, domestic and international fixed income mutual funds, and exchange traded products. The Organization’s individual equity securities and exchange traded products were measured at fair value based upon quoted markets values (level one of the fair value hierarchy). Mutual funds were valued at the daily redemption values based upon the closing prices reported on the active markets in which the underlying securities were traded (level one of the fair value hierarchy). Money market funds were valued at cost which equates to fair value. There have been no changes in the valuation methodologies used during the year ended September 30, 2022.

The fair value methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

At September 30, 2022, the Organization’s marketable securities consisted of investments held at LPL Financial and were comprised of the following:

Money Market Account	\$ 7,174
iShares Core U.S. Aggregate Bond ETF	45,280
iShares MSCI USA ESG Select ETF	36,816
iShares ESG Aware USD Corporate Bond ETF	42,471
Total	<u>\$ 131,741</u>

Investments held at September 30, 2021 consisted of mutual funds totaling \$159,416.

**ABLE SOUTH CAROLINA, INC.
COLUMBIA, SOUTH CAROLINA**

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED SEPTEMBER 30, 2022 AND 2021

NOTE 4 – INVESTMENTS (CONTINUED)

Total investment income on marketable securities for the years ended September 30, 2022 and 2021 were \$2,654 and \$2,641, respectively. Total realized and unrealized losses for the year ended September 30, 2022 were \$29,189. Total realized and unrealized gains for the year ended September 30, 2021 were \$12,888. Investment expenses for the years ended September 30, 2022 and 2021 totaled \$1,002 and \$1,219, respectively.

NOTE 5 – BENEFICIAL INTEREST IN ASSETS HELD BY COMMUNITY FOUNDATION

At the direction of the Board, the Organization transferred donor-restricted funds to the Central Carolina Community Foundation (the “Foundation”) to create a Board-designated endowment (see below). The Foundation holds these funds for the benefit of the Organization. The funds retain their donor restrictions. The fund agreement grants variance powers to the Foundation to redistribute the principal and income of the funds if the Organization ceases to exist as a qualified charitable organization. The funds are subject to the Foundation’s investment and spending policies. The spending policy is designed to allow the funds to be invested on a total return basis to maintain or increase the real value of the funds, while at the same time providing a relatively steady and predictable level of distributions.

The Organization’s interest in the fund is carried at fair value based upon level three inputs within the fair value hierarchy. The Organization’s interests are part of the investment account of the Foundation, which was comprised primarily of publicly-traded mutual funds at September 30, 2022. The Foundation determines the value of its investments at least monthly based on the average value of the underlying investments.

Tom & Yvonne Eskew Endowment Fund

The Organization entered into an endowment agreement with the Foundation in May 2022 to be devoted primarily to the assistance of the Organization in its upstate programs and services. The Organization transferred \$100,000 to the fund in June 2022. Distributions are not intended to be restricted to income only. The total return approach will be utilized for distributions from the fund with a spending rate as determined by the Foundation’s Board (currently four percent).

During the year ended September 30, 2022, the endowment fund earned \$594 in dividends and interest and recorded realized and unrealized losses totaling \$9,902. Investment expenses totaled \$640 during the year. The endowment balance was \$90,052 at September 30, 2022 and was underwater by \$9,902.

NOTE 6 – PAYCHECK PROTECTION PROGRAM LOAN

In the year ended September 30, 2020, the Organization was granted a \$331,100 loan under the Paycheck Protection Program (“PPP”) administered through the Small Business Administration. The Organization initially recorded a note payable and subsequently recorded forgiveness when the PPP loan obligation was legally released. The Organization recognized the total amount of the PPP loan as income for the year ended September 30, 2021.

COLUMBIA, SOUTH CAROLINA**

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED SEPTEMBER 30, 2022 AND 2021

NOTE 7 – ACCOUNTS RECEIVABLE

Accounts receivable was comprised of the following as of September 30:

	2022	2021
Federal Receivables		
US Department of Health and Human Services - Centers for Independent Living	\$ 24,412	\$ 53,249
South Carolina Developmental Disabilities Council	63,556	81,170
University of South Carolina	37,311	-
US Department of Agriculture - South Carolina Department of Social Services	3,706	2,501
National Foundation for the Centers of Disease Control and Prevention, Inc.	406,088	2,229,206
South Carolina Department of Health and Environmental Control	96,387	-
United Way of South Carolina - South Carolina Service Commission	27,145	-
Social Security Administration	10,600	-
US Department of Justice	14,031	-
State and Local Receivables		
South Carolina Vocational Rehabilitation Department	121,270	217,380
State Plan for Independent Living	8,390	25,228
Other State and Local	59,883	129,034
	<u>\$ 872,779</u>	<u>\$ 2,737,768</u>

No allowance for uncollectible amounts was necessary at September 30, 2022 and 2021 as the Organization expects to collect all receivables.

NOTE 8 – FURNITURE, EQUIPMENT AND VEHICLE

Furniture, equipment and vehicle was comprised of the following as of September 30:

	2022	2021
Furniture and Equipment	\$ 73,766	\$ 135,914
Vehicle	16,900	16,900
	<u>90,666</u>	<u>152,814</u>
Less Accumulated Depreciation	(68,375)	(135,371)
	<u>\$ 22,291</u>	<u>\$ 17,443</u>

NOTE 9 – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions were available for the following purposes at September 30, 2022:

	2022
Subject to Expenditure for Specified Purpose:	
Tom & Yvonne Eskew Endowment Fund - Upstate Programs and Services	\$ 90,692
National Foundation for the Centers of Disease Control & Prevention, Inc. -	
Increasing COVID-19 Vaccine Uptake	723,187
United Way Emergency Rental Assistance Housing Stability Assistance	93,882
	<u>\$ 907,761</u>

**ABLE SOUTH CAROLINA, INC.
COLUMBIA, SOUTH CAROLINA**

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED SEPTEMBER 30, 2022 AND 2021

NOTE 9 – NET ASSETS WITH DONOR RESTRICTIONS (RESTRICTED)

Net assets were released from restrictions by incurring expenses satisfying the restricted purposes, by the occurrence of other events specified by donors, or by being released from restrictions by the donors. During the years ended September 30, 2022 and 2021, net assets with donor restrictions of \$5,898,246 and \$3,554,486, respectively, were released from restrictions.

Net assets of \$100,000 were reclassified to net assets with donor restrictions in the current year to reflect the donor's restriction of these funds. This restriction was disclosed in the current year while the funds were being used to establish a Board-designated endowment to be held at the Foundation.

NOTE 10 – RETIREMENT PLAN

The Organization provides a retirement program for eligible full-time employees who are at least 21 years old. The Organization contributes to the employee's retirement plan when employees become eligible and vested after one year of employment. Employer percentage contributions to the retirement program are reviewed and determined annually by the Board of Directors. For the years ended September 30, 2022 and 2021, the employer percentage contribution was 3% each year. The Organization paid retirement contributions of \$27,039 and \$31,907 for the years ending September 30, 2022 and 2021, respectively.

NOTE 11 – COMMITMENTS AND CONTINGENCIES

In December 2017, the Organization entered into an agreement requiring monthly rental payments for 7 years (ending December 2024) to lease office space in Greenville, South Carolina. On an annual basis, rental payments range from \$54,000 to \$64,479. Remaining payments under this lease as of September 30, 2022 totaled \$142,274.

In December 2019, the Organization entered into an agreement requiring monthly rental payments for 6 years (ending November 30, 2025) to lease office space in Columbia, South Carolina. On an annual basis, rental payments range from \$143,334 to \$166,188. Remaining payment under this lease as of September 30, 2022 totaled \$509,499.

In August 2019, the Organization was awarded a contract with the SC Vocational Rehabilitation Department and the SC Commission for the Blind to provide certain services with a potential value of \$11,121,500. As of September 30, 2022, the Organization has approximately \$7,300,000 in services that could be provided under the contract through August 2024.

The Organization must apply for annual renewal of contracts and grants. Funding is subject to both increases and decreases at the discretion of the contractors and grantors, and some agreements also may be terminated by either party, contingent upon certain conditions. The Organization's costs incurred under its governmental grants are subject to audit by government agencies. Management believes that disallowance of costs, if any, would not be material to the financial position or changes in the net assets of the Organization.

NOTE 12 – SUBSEQUENT EVENTS

In October 2022, the Organization entered into a contract with the National Foundation for the Centers of Disease Control and Prevention, Inc. for \$1,000,000 to build capacity for the Centers for Independent Living to effectively respond to public health emergencies, including increasing the uptake of COVID-19 vaccines.

The financial statements were available to be issued on May 19, 2023 and subsequent events have been evaluated through that date.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED SEPTEMBER 30, 2022

A – General

The accompanying Schedule of Expenditures of Federal Awards (the “Schedule”) presents the activity of all federal award programs of Able South Carolina, Inc. (the “Organization”) for the year ended September 30, 2022. All federal awards received directly from the federal agencies, as well as those passed through other government agencies, are included on the Schedule.

B – Basis of Accounting

The accompanying Schedule is presented using the accrual basis of accounting.

C – Relationship to Financial Statements

Federal award expenditures are reported in the Organization’s financial statements as expenses in the Statement of Activities.

D – Relationship to Federal Financial Reports

Amounts reported in the accompanying Schedule agree with the amounts reported in the related federal financial reports except for timing differences relating to expenditures made subsequent to the filing of the federal financial reports.

E – Indirect Cost Rate

The Organization has elected not to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

Greene Finney Cauley, LLP

CERTIFIED PUBLIC ACCOUNTANTS & ADVISORS

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Able South Carolina, Inc.
Greenville, South Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Able South Carolina, Inc. (the "Organization") which comprise the statement of financial position as of and for the year ended September 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 19, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the preceding paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CERTIFIED PUBLIC ACCOUNTANTS & ADVISORS

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE AS REQUIRED BY THE UNIFORM GUIDANCE

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Able South Carolina, Inc.
Greenville, South Carolina

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Able South Carolina, Inc.'s (the "Organization") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended September 30, 2022. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States ("Government Auditing Standards"); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists.

GREENEFINNEYCAULEY.CPA • INFO@GREENEFINNEY.COM

GREENVILLE, SC
864.232.0653

MAULDIN, SC
864.232.5204

CHARLESTON, SC
843.735.5805

ANDERSON, SC
864.225.8713

ASHEVILLE, NC
828.771.0847

OPEN BY
APPOINTMENT ONLY

The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
