

Fundable: Just Imagine

Don't miss our 30th Anniversary Celebration

Central Energy, Bull Street District

Columbia, SC Friday, November 15 6 pm - 10 pm

- Contribute to South Carolina's most powerful change agent addressing barriers faced by people with disabilities.
- Enhance market awareness of your company's social and philanthropic objectives.
- Demonstrate your support for disability rights and a positive and caring corporate image.
- Connect deeper to your customer base with this investment. The majority of South Carolinians are connected to a person with a disability!

Able SC is a disability-led organization seeking transformational changes in systems, communities, and individuals. Since 1994, we've remained a consumer-controlled, community-based, cross-disability nonprofit that seeks to make South Carolina a national model of equity and inclusion for all people with disabilities.
